Baked Pizza Company is a return to what makes homemade pizza & Italian cuisine so enjoyable. In a time when fast food pizza has become the norm, we slow it down a little by baking each pizza & pasta dish to perfection. From our scratch made dough, to our carefully crafted marinara & pizza sauce. We enjoy what we do & will never substitute quality for speed. Quality takes time so we thank you for allowing us to perfectly craft your food. We always strive to be the best for you, our customer.
